CLERK OF CIRCUIT COURT

The Clerk of the Courts serves as the clerk, accountant, and auditor for the Board of County Commissioners. The Clerk submits a budget to the Board by May 1st of each year. The Clerk's budget consists of two parts. The first deals with the Clerk's 'Finance' responsibilities to the Board. This is incorporated into the county budget review process and is subject to approval by the Board. The second part concerns the Clerk's responsibilities as Clerk of the Courts. This portion is supported by fees imposed on individuals by the court system. Clerk of Circuit Court budget reduction is because the Clerk did not submit a budget for the non-court related budgets only Clerk to the Board (Finance). These are now budgeted out of excess fees.

TAX COLLECTOR

The Tax Collector is the constitutional officer charged with collecting all ad valorem taxes levied by the Board, special taxing districts, school board and all municipalities. The Tax Collector's budget is supported by commissions based on the tax levied. The budget is submitted to the Department of Revenue (DOR) by August 1st of each year with a copy sent to the Board. Once DOR reviews and approves the budget, no officer, Board of commission may modify it without DOR permission. (F.S. 195.087) Fees collected in excess of those required for the budget are returned to the taxing jurisdiction that paid them.

PROPERTY APPRAISER

Officer in charge of determining the value of all county property. The Property Appraiser's budget is supported by fees for services charged to each entity for which tax is collected (except the school board and municipalities, which are paid by the county). The fees are based on the approved budget, and allocated based on prior year tax collections. His estimated budget is submitted to Department of Revenue on June 1st. A copy is provided to the county at the same time. D.O.R. notifies the county of its tentative budget decisions by July 15; the Appraiser or Board may submit information for D.O.R. to consider prior to it's final decision on or before August 15. The departments budget decisions may be appealed to the Governor and Cabinet. The actual amounts reflect the fees paid by the county. The budgeted amounts are the Board's portion of the Property Appraiser's budget.

SUPERVISOR OF ELECTIONS

Officer in charge of implementation of the state election laws. The Supervisor of Elections submits her budget to the County on May 1st of each year. The budget is incorporated into the county budget review process and is subject to approval by the Board of County Commissioners. In the event the Board disagrees with the budget, the Board may amend, modify, increase, or reduce any or all items of expenditure in the proposed budget. If her budget has been modified, the Board must notified her in writing of its action to specific items amended. The Supervisor of Elections budget is supported by ad valorem taxes in the General Fund.

SHERIFF

Chief law enforcement officer for the county. The Sheriff submits his budget to the County on May 1st of each year. The budget is incorporated into the county budget review process and is subject to approval by the Board of Commissioners. In the event there is a disagreement between the Sheriff and the Board, it may be resolved by the Governor and Cabinet. The Sheriff has limited revenues from non-ad valorem resources. The majority of his budget in supported by ad valorem taxes; both tax and other revenue supporting the Sheriff's budget are budgeted in the Law Enforcement (Fine & Forfeiture) Fund. In addition to the Sheriff's budget, the proposed budget has \$1,695,379 as a County reserve for Sheriff's Dept. Salary Study. Budgets excludes

Hurricanes.

MENTAL HEALTH (NEW HORIZONS)

Mental Heath Services are provided over a four county area - St. Lucie, Martin, Indian River, and Okeechobee - by New Horizons, Inc., a non-profitcorporation. There are two parts to the corporations budget: a basic part, which is supported by State appropriations and a required local match, and an additional part, which is supported by grants and other resources that the corporation may obtain. The local match portion of the basicbudget can be provided by any local funding resource, which may include county government, cities, the United Way, or other local public or private organizations. While New Horizons presents it's total budget to all four counties, there is no formal agreement as to funding allocations; each county may fund at whatever level it chooses. In the event that county funding combined with other local resources is not sufficient toprovide the required 25% local match, state funding for the four county area may be reduced. The amount shown does not include contracts for law enforcement related programs.

Explanations

2005-2006 MILLAGE This figure represents the millage that was approved for the previous fiscal year. It is interpreted as dollars per thousand.

2005-2006 TAXES This is the computed taxes derived by multiplying the 2005-2006 Millage by the Prior Years Value and then dividing by 1000.

2006-2007 ROLLBACK RATE The Rollback Rate is the millage that would have to be levied in 2006-2007 to produce the same computed tax revenue as last

year. The calculation is 2005-2006 Taxes divided by 2006-2007 Adjusted Value and multiplied by 1000.

2006-2007 ROLLBACK TAXES Rollback Taxes is the amount of computed taxes that would be generated in 2006-2007 if the millage imposed was the 2005-2006

Rollback Rate. The formula is: 2006-2007 Rollback Rate multiplied by the 2006-2007 Gross Value and then divided by 1000.

2006-2007 MILLAGE This figure represents the millage for the 2006-2007 fiscal year. It is interpreted as dollars per thousand.

2006-2007 TAXES This is derived by multiplying the 2006-2007 Millage by the 2006-2007 Gross Value and then dividing by 1000.

PRIOR YEARS VALUE This is the prior years Final Value as determined by the Office of the Property Appraiser.

2006-2007 ADJUSTED VALUE This is the 2006-2007 fiscal year Adjusted Value as determined by the Office of the Property Appraiser. The Adjusted Value is

the Gross Value plus any new taxable value from construction, additions, & improvements minus deletions.

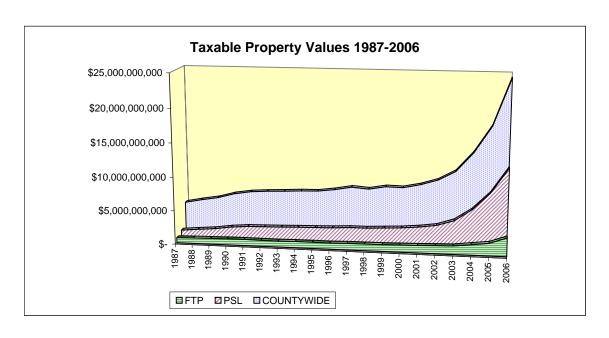

2006-2007 GROSS VALUE This is the 2006-2007 fiscal year Gross Value as determined by the Office of the Property Appraiser.

&R12/5/2006

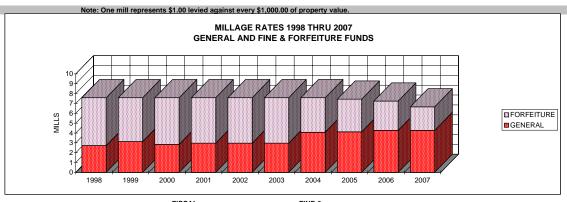

Between tax years 1981 and 1991 countywide property values increased an average of 9% per year. This was followed by an average annual growth of just 2.8% from 1992 thru 2000. The past five years the rate of growth in countywide property values have increased by an average of 16.9%. Due to the number of planned developments within the county, the Office of Management and Budget expects higher than average growth per year through Fiscal Year 2010.

General Fund balances remained relatively stable through fiscal year 1998. Beginning in fiscal year 1999 they began increasing due in part to a settlement with Florida Power & Light over contested valuations and due to fiscal restraint on the part of county departments. Reduction in fiscal year 2006 General Fund Balance is primarily due to expenditures relating to the hurricanes.

Special Revenue Funds include the Transportation Trust Funds, the Stormwater MSTU, and the Port and Airport Funds. All of these funds are capital project intensive, i.e. roads, drainage, land acquisition etc. Once the Board allocates funds to a project, those funds remain within that project until it is completed or the Board approves reallocating the funds to another project. As a result, balances for capital projects - whether in progress or awaiting a start date - are relatively higher and tend to fluctuate more than other fund balances.

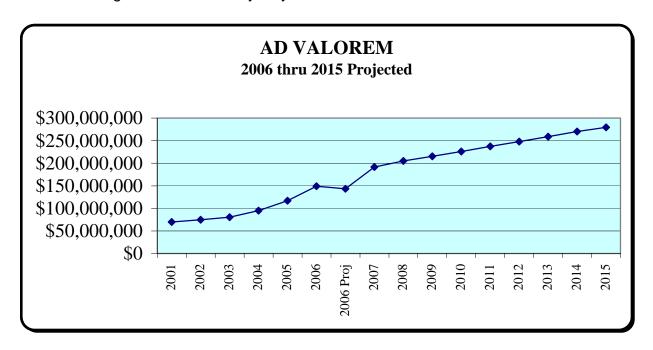

Debt Service balances are comprised primarily of required debt service reserves.

Capital Project Fund balances are also relatively higher and tend to fluctuate more than other fund balances for the same reason given above and because of the timing of Capital Projects.

Revenue Sources and Trends

Ad Valorem Taxes

The Ad Valorem Tax is levied against all property within the county and is based on the Taxable Assessed Value. The Tax Collector sends bills to property owners in October with the option of paying a discounted amount if the bill is paid between November and March. State statutes prohibit the county from budgeting less than 95% of the total amount it expects to receive, and the Florida Constitution limits the amount of Ad Valorem millage the counties may levy to 10 mills.

Legal Authority: Florida Statute, Chapter 200.

Fund/Account Number: Various Funds/311100 & 311150

<u>Discussion & Concerns</u>: Approximately 54.0% of the countywide ad valorem revenues the St. Lucie County Board of County Commissioners expects to receive in fiscal year 2006 is budgeted in the General Fund while 30.0% is budgeted in the Fine and Forfeiture fund. The General Fund receives a higher portion than previous years because \$11 million in Corrections expenses was transferred from the Fine and Forfeiture Fund in fiscal year 2004.

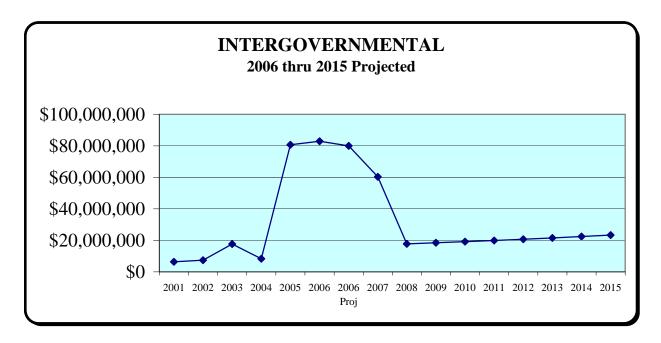

Ad Valorem revenues continue to show a positive trend averaging 10.7% increase per year since 1995. This compares to countywide millage rates that have been reduced over the same time and indicates property values within the county are increasing. This increase is partly attributed to the emphasis the Board has placed on economic development which continues to attract new businesses. Another factor contributing to the increase in property values is the fact that the population within the county is growing and residents are demanding larger, higher quality homes.

The Board of County Commissioners is continuing their efforts to alleviate the amount of taxes bourne by the property owners by encouraging environmentally friendly industries and retailers to locate within St. Lucie County. Their Job Incentive Program has been successful in attracting companies like Liberty Medical, Home Shopping Network, and a Wal-Mart Distribution Center. Each entity has or will add a number of jobs that pay well above the average wage county residents have received in the past.

Assumptions & Projections: The fiscal year 2006 budget reflects the total taxes levied. However, discounts are allowed for early payment at the rate of 4% in November, 3% in December, 2% in January, and 1% in February. As a result, the actual collections are less than the taxes levied. The projections for Fiscal Years 2007 through 2015 reflect an anticipated annual growth in countywide taxable property valuations of 6.0%.

Intergovernmental Revenue

Intergovernmental Revenues include Federal, State and Local grants, the Half-Cent Sales Tax, State Shared Revenue, and Gasoline Taxes (with the exception of those designated Local Option). For the purpose of this report, revenues received from the Half-Cent Sales Tax, State Shared Revenue and all Gasoline Taxes are reported in separate sections.

Fund/Account Number: Various Funds/33XXXX

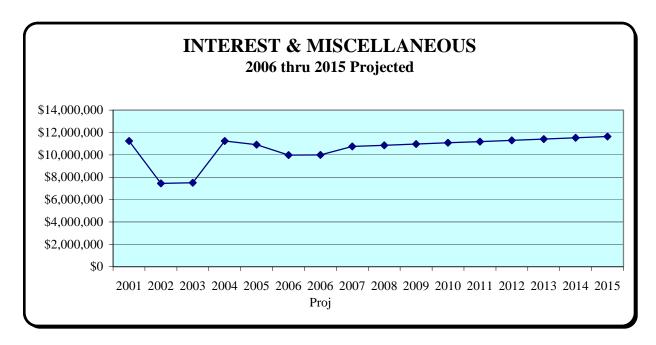

<u>Discussion & Concerns</u>: Although Revenues generated through grants have not been consistent year to year; they do show an upward trend. In Fiscal Year 1999, the County authorized a new position specifically for a Grant Writer. As a result, grant revenue

increased 53% between Fiscal Years 1998 and 2000. This success prompted the Board to approve another Grant Writer position beginning in fiscal year 2002. The Board experienced a decrease in this revenue in fiscal year 2001. This might have been due to the lackluster economy resulting in less grant funds available, however, in fiscal year 2003 this source increased by 19% and staff expects the program will continue to grow as the economy improves. The fiscal year 2005 budget reflects approximately \$70 million in federal and state reimbursements that the County anticipates related to damages from Hurricane Frances & Jeanne.

<u>Assumptions & Projections</u>: Once the intergovernmental revenues related to Hurricane Frances, Jeanne, & Wilma have been received, Staff expects revenues to return to previous levels with an aggressive grant acquisition program generating an estimated 4% annual increase in revenue each year.

Interest & Miscellaneous Revenue

This source of revenue is mainly comprised of earned interest, special assessments, (i.e. imposed to fund Municipal Services Benefit Unit projects) rent/lease agreement, reimbursements and concession receipts. Impact fees are normally considered a part of this classification of revenue, however, because this source is not normally recognized until it is expensed staff has chosen not to include impact fees in this analysis.

Fund/Account Number: Various Funds/36XXXX

<u>Assumptions & Projections</u>: Due to the erratic nature of this revenue source, it is impossible to accurately predict future income. In the interest of long-range planning,

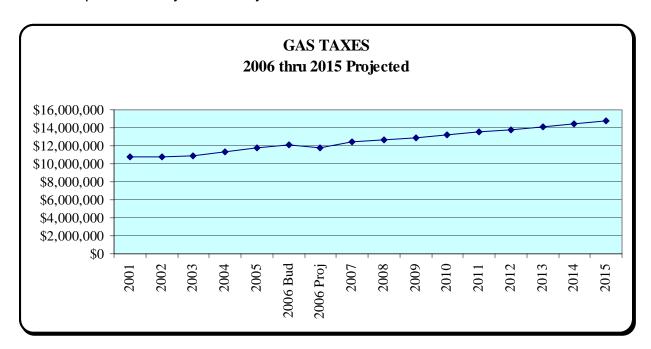

staff has prepared projections based on the following assumptions:

- 1) Interest rates will remain relatively level for the foreseeable future.
- 2) Departments, particularly Public Works, Central Services and Parks & Recreation, will begin spending more of the funds allocated to them for capital improvement projects.
- 3) This increased spending will reduce the amount of funds on deposit resulting in a further reduction in earned interest.

Based on the above assumptions, we project Interest and Miscellaneous Revenue income to remain level for the next three years followed by a 3% annual increase.

Gasoline Taxes

In addition to the Constitutional Gas Taxes and the County Gas Tax, local governments are authorized to levy up to 12 cents of local option fuel taxes in the form of three separate gas taxes. The first is a 1 to 6-Cent Local Option Gas Tax imposed on every gallon of motor and diesel fuel sold within the County. The second is a 1 to 5-Cent Local Option Gas Tax imposed on every gallon of motor fuel sold. The third is a tax of one-cent on every gallon of motor and diesel fuel sold. Revenue collected from the Local Option Gas Taxes is distributed between the County and the municipalities of Fort Pierce, Port St. Lucie and St. Lucie Village according to interlocal agreements. These distributions are based on a moving five-year accumulation of reported transportation related expenditures by each entity.

<u>Fund/Account Number:</u> Various/ 312410, 312425, 312300, 335420, 335490, 335491, & 335495

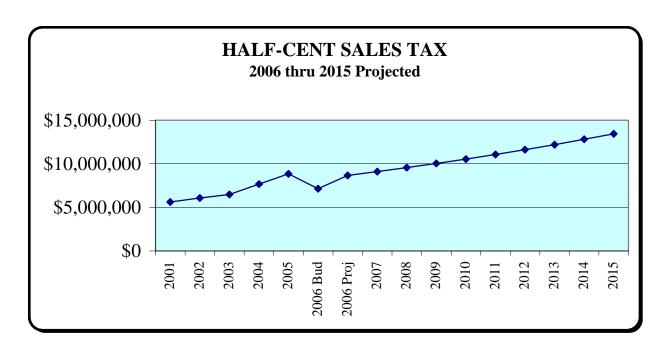

<u>Discussion & Concerns</u>: The Local Option 1-6 Cent Gas Tax was initially levied on September 1, 1985 imposing four of the possible six cents. Effective September 1, 1987, the additional two cents were imposed. Facing a shortage of revenue to fund needed infrastructure improvements, the St. Lucie County Board of County Commissioners voted to levy 2 of the allowable 5 cents of the Local Option 1-5 Cents Gas Tax beginning January 1, 1998. Revenue generated by this tax is being used to repair and replace deteriorating bridges within St. Lucie County. The Board later voted to impose the additional 3-cent per gallon tax effective January 1, 2000, and expand the intended use to include all transportation related improvements (i.e. bike paths, sidewalks, drainage, mass transit). Both the Local Option 1-6 Gas Tax and the Local Option 1-5 Cent Gas Tax are set up to run through August 31, 2015.

The portion of Local Option Gas Tax revenues collected by the State and allocated to the County has decreased over the past five years as the cities of Port St. Lucie and Fort Pierce have increased their transportation related expenditures. This trend is expected to continue, particularly in light of the fact that the City of Port St. Lucie is making major infrastructure improvements in an attempt to facilitate the expanding population.

<u>Assumptions & Projections</u>: After considering the expected reduction in Local Option Gas Tax revenue due to the allocation formula, staff is projecting an annual growth of 2% in total gas tax revenue.

Half-Cent Sales Tax

Local Governments receive a share of the State sales tax collections that is roughly equal to, and is referred to as, the "Half-Cent" Sales Tax. It generates the largest amount of revenue for local governments than any other State shared revenue program. These revenues may be used for countywide programs.

<u>Legal Authority:</u> Florida Statutes Chapter 218, Part IV

Fund/Account Number: 215/335180

<u>Discussion & Concerns</u>: From 1993 through 2003, the distributions from the State grew 5.8% per year while the portion allocated to St. Lucie County kept pace, growing 5.4% per year. Beginning in fiscal year 2005, Article V, Revision 7 reduced this source of revenue. The legislature diverted a portion of the Half Cent Sales Tax to help fund the courts. After the initial reduction, the normal growth in this revenue will resume and be passed on to the counties.

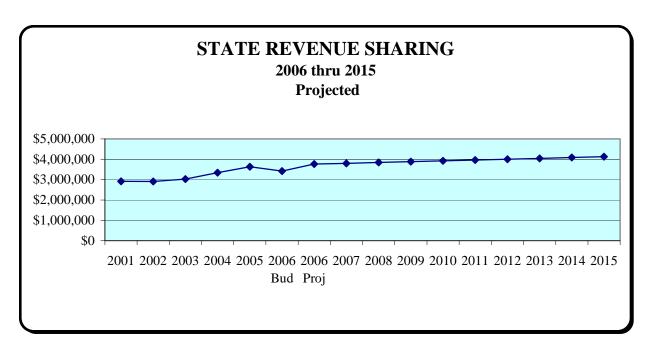

<u>Assumptions & Projections</u>: We are taking a conservative approach when budgeting anticipated revenue from the Half-Cent Sales Tax. Staff projects a 5% annual increase in half-cent sales tax revenue.

State Shared Revenue

The Florida State Department of Revenue uses an established formula to apportion to each eligible county a certain amount of revenue collected from cigarette and intangible taxes levied by the State. The formula is based on county population, unincorporated population, and county sales tax collections. Distributions are usually consistent from month to month with the exception of July when the State makes an annual adjustment based on the past fiscal year collections.

<u>Discussion & Concerns</u>: Beginning in Fiscal Year 1999 the State Legislature reduced the Intangibles Tax with the intent of eventually eliminating it. This was the main source of Shared Revenue receipts allocated to the counties. During the fiscal year 2000

session, legislators agreed to replace most of the lost revenue with an increase in State sales tax distributions using Fiscal Year 1999-2000 as the base year. The Article V, Revision 7 Constitutional Amendment, reduced this source of revenue in fiscal year 2005.

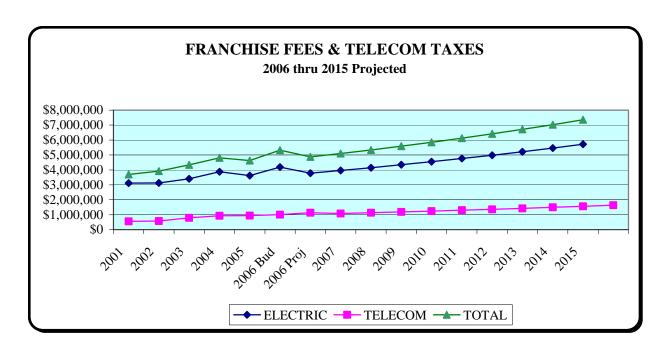

<u>Legal Authority:</u> Florida Statutes Chapter 218 Part II, the Florida Revenue Sharing Act of 1972.

Fund/Account Number: 217/335120

<u>Assumptions & Projections</u>: Because St. Lucie County is one of the fastest growing areas in the State, staff anticipates a positive trend. Staff predicts this revenue stream to increase by 4% annually.

Franchise and Privilege Fees

The County negotiated agreements with the Florida Power and Light Company, the Fort Pierce Utilities Authority, Adelphia and A T&T Comcast Cable companies allowing each a non-exclusive franchise to operate facilities within County rights-of-ways in the unincorporated areas of the County. In consideration for the franchise, each entity has agreed to pay a fee. In the case of the electric companies, this fee is remitted to the County. Fees charged to telecommunications related companies pay the fee to the State who then distributes the revenue to each respective county. This fee is an agreed upon percentage of their revenues, less actual write-offs, which are 'billed' to customers living within the unincorporated area of the County. Revenues generated through Franchise and Privilege Fees are used to fund projects primarily in the unincorporated area of the County designed to upgrade or expand facilities and infrastructure.

Fund/Account Number: Various Funds/315000, 313150, &313100

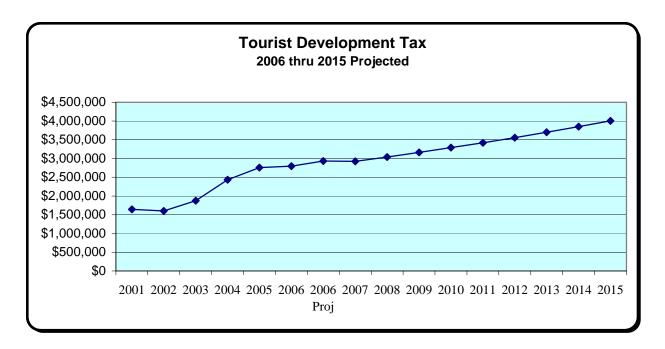

<u>Discussion & Concerns</u>: The Communications Services Tax Simplification Law, Chapter 00-260 Laws of Florida (the Communications Tax Law) combines current State and local taxes under a single law administered by the Florida Department of Revenue (DOR). Beginning October 1, 2001, all communication services are taxed at the same rate. The Communications Tax Law repealed all State, county, and municipal taxes and fees on communications services and replaced them with a new, simplified communications services tax.

Assumptions & Projections: St. Lucie County began collecting Franchise and Privilege Fees in Fiscal Year 1998. Receipts from this source have grown significantly each year and considering the growth of St. Lucie County there is no reason to believe it will cease. The major contributors to this source are the electric companies but blending the three streams results in a projected 4.7% annual growth rate.

Tourist Development Tax

In 1984 the county's voters approved a referendum levying a two cent Tourist Development Tax. Revenue from these two cents are pledged to pay for the St. Lucie County Sports Complex operations and to the extent available, to pay for debt service on industrial revenue bonds issued to finance construction of the stadium complex. In 1987, the Board of County Commissioners adopted Ordinance No. 87-82 levying a third cent tourist development tax to promote and advertise tourism in St. Lucie County. By adopting Ordinance No. 97-14 in 1997, the Board levied a fourth cent for the express purpose of paying debt service on bonds issued to finance the renovation of the St. Lucie County Sports Complex. In 2003, the Board approved Ordinance 03-12, levying a

fifth cent for the purpose of paying debt service on bonds issued to finance improvements at the St. Lucie County Sports Complex and to pay for capital facilities that promote tourism at the St. Lucie County Fairgrounds and the area north of Midway Road.

Legal Authority: Florida Statutes, Section 205.032 and 205.033

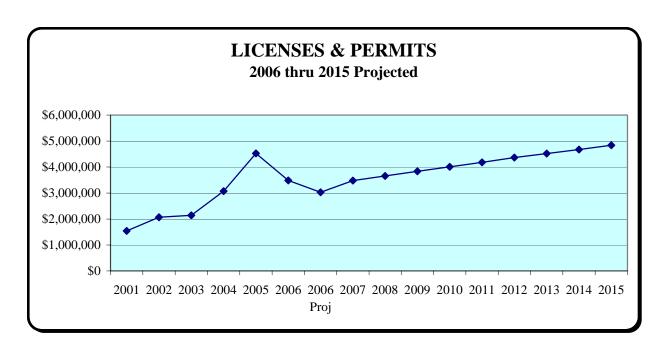

Fund/Account Number: 162/312100, 262/312100, 610/312100, and 611/312100

<u>Discussion & Concerns</u>: Generally, collections of the Tourist Development Tax have shown a positive trend. Considering the fact that St. Lucie County has added new attractions such as the St. Lucie Marine Center, which houses Smithsonian Marine Ecosystem Exhibit, a new fairgrounds with an equestrian arena, and the Oxbow (children's) Environmental Learning Center, we expect this positive trend to continue. In addition to new facilities, the county's aggressive 'Investment for the Future' program has resulted in improved access to the local beaches, construction of additional boat ramps and improvements to existing ones, all of which will attract additional visitors.

<u>Assumptions & Projections</u>: Realizing that this source of revenue is highly correlated with the tourist industry and the state of the economy, staff anticipates the annual rate of change to increase as the economy improves. Staff projects Tourist Development Tax Revenues will increase by an average annual rate of 4%.

Licenses & Permits

This revenue source includes occupational licenses, building permits, and certification fees.

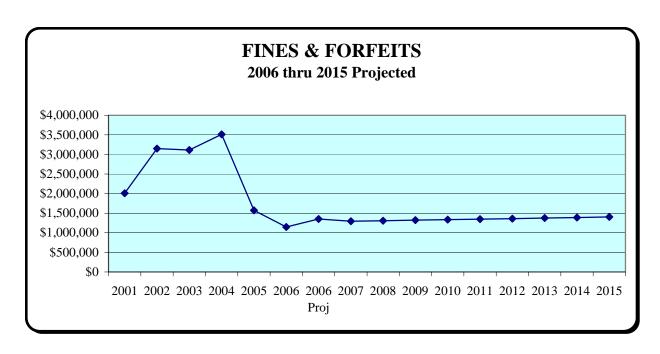

<u>Fund/Account Number:</u> Various Funds/32XXXX

<u>Discussion & Concerns</u>: Before 1972, the State had imposed an occupational license tax and shared the revenues with the counties. In 1972, Florida repealed the State tax and authorized counties to impose an occupational tax at the State rate then in effect. Chapter 80-274, Laws of Florida, authorized an increase in the tax but capped the rate of increase.

<u>Assumptions & Projections</u>: Rapid growth in the area has lead to increased revenue from building permits. This trend is anticipated to continue at a rate of 4% per year.

Fines & Forfeits

This revenue source includes revenues received from fines and penalties imposed for the commission of statutory offenses and violation of unlawful administrative rules and regulations. Forfeits include revenues resulting from confiscation of deposits or bonds held as performance guarantees and proceeds from the sale of contraband property seized by law enforcement agencies.

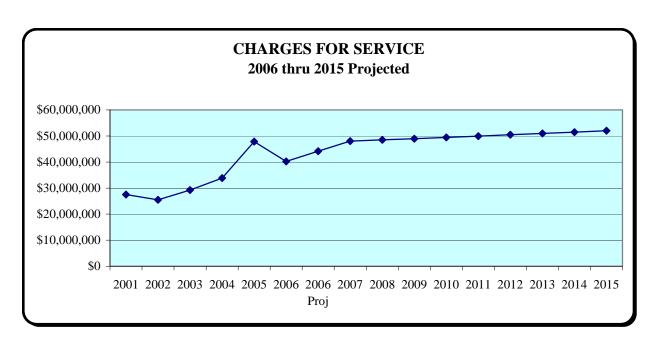

Fund/Account Number: Various Funds/35XXXX

<u>Assumptions & Projections</u>: Article V, revision 7 diverted fine and forfeiture revenue to the State. This resulted in a large decline in FY 2005. In subsequent years, the County expects this revenue source to remain stable.

Charges for Service

Reflects all revenues stemming from charges for current services including recording fees, insurance reimbursements, insurance premiums charged to county departments, landfill fees, water fees, and sewer fees. These sources are estimated using trend analysis.

<u>Fund/Account Number:</u> Various Funds/34XXXX

Assumptions & Projections: In fiscal year 2005, the County began receiving an additional service charge of \$2 per page for instruments recorded in the official records. This revenue is to be used exclusively to fund court-related technology and court technology needs as defined in Florida Statute 29.008(1)(f)2 and (h). This revenue source is expected to remain stable.
